CLEARINGHOUSE RULE 96-123

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

In s. Psy 2.05, it is unnecessary to insert “(title)” before the title of the section. The section is being repealed and recreated, not amended.

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. Does the Examining Board intend, in s. Psy 2.015, to link the time period to the date of application, rather than the date of the request for information? Is it possible that a request for information would be made shortly before the expiration of the one-year period that begins running on the date of application?

b. In s. Psy 2.05 (2), the phrase “and the examination” is unnecessarily repeated.
